2009 User's Conference

November 18 - 20, 2009

Kerrville, Texas - Inn of the Hills Resort & Conference Center

Our annual user's conference will once again be held in Kerrville at the Inn of the Hills Resort & Conference Center. You will need to call the hotel directly and make your reservations. When you do so, you will need to identify yourself as being part of our conference. The room rates are \$81 for either single or double room, \$91 for triple rate, and \$101 for quad. rate. The number to call for reservations is 1-800-292-5690. Reservations should be made as soon as possible. The cut-off date for the special room rates is October 19. If you would like more information about the resort and local attractions, go to www.innofthehills.com. I know that some of you live close enough to Kerrville so that you won't need to stay at the hotel. Should this be the case, please make sure that you still fill out our registration form so that we know that you are coming.

Due to the never ending increase in the cost of doing business, and the current feeling in the US Congress that corporate America will pay for everything, we have no choice but to start to charge a conference registration fee. We are keeping the fee small, at \$75.00 per attendee, and the fee will be refundable, up until November the 11th, which is when we must make our final commitment to the hotel. This registration fee does not apply to spouse's, or significant others, that will not be attending the different sessions and luncheon on Thursday. The hospitality room will be open Wednesday and Thursday afternoon, with our usual visit to the hotel lounge Wednesday and Thursday evenings.

The main day of the conference will be Thursday, November 19, 2009. Our staff will be arriving at the hotel on Wednesday, the eighteenth, and will be available for consultation that afternoon. Departure from the conference is on Friday. If any participants or spouses enjoy golf, we will be playing on Friday morning. Let us know soon if you would like to join us that morning.

The following is a tentative conference schedule summary:
